Dayspring Christian Academy strives to provide each student with a Principle Approach education that points each child to Christ. At Dayspring, we see each child as a unique individual, created by a loving Creator, and valued as such. It is because of this that Dayspring has created the P139 program, named for Psalm 139:14, designed to teach students at all levels who require alternative or differentiated methods of instruction in order for them to work to their potential.
