Dayspring Christian Academy's special events are a time when we come together as a family to serve one another and our school. Not only does the school sincerely need and appreciate the assistance of our families as we raise funds—many bonds of friendship have been formed through this service that will last while your children are here and beyond. Please review the options below and **select at least two events**. You will be contacted prior to the events with specific details. Thank you for serving with us. We pray you are blessed by this service! Please return to the office by Friday September 17.

GRANPARENTS AND SPECIAL GUESTS DAY
