Dayspring Christian Academy seeks to develop the servant character of Christ within the students by including a community service requirement for graduation. The objective is to encourage our young people to serve their communities in the love of Christ! This may include *volunteer* activities such as mowing lawns, going on a mission trip, assisting with vacation Bible school, volunteering at a shelter or soup kitchen, walking a neighbor's dog, etc. Students may include up to 10** of the required 25 hours in activities designed specifically to impact the church or school communities, such as teaching Sunday school classes, helping in the nursery, leading worship in church, setting up chairs for service, painting school walls during school hours, or tutoring a younger student in writing or math. **This ten-hour limit may increase during 2022-2023 depending upon the need. Check with Mrs. Hurley if you have questions about this.

Students may begin to accumulate service hours the summer before 9th grade and ***are to submit this fully completed form by the end of the third quarter of their senior year.*** All recorded hours—even those beyond the required 25—will be added to student transcripts.
