

Tuition 2025-2026

Comprehensive Tuition

Since 2018, Dayspring has operated with a Comprehensive Tuition policy. Tuition payment now includes the student cost for all Field Studies, including overnight trips (except for the Senior Field Study), selected student fees (re-enrollment fee, technology fee, graduation fee, ACSI fees), Chromebook insurance and the student cost for retreats and the Patriots Celebration Dinner.

Dayspring Field Studies

A Principle Approach® education relies on original source material. What better way to teach this and learn firsthand than traveling to study as close to the source as possible? Dayspring Christian Academy's comprehensive tuition includes payment for our extensive student field studies. All hotel, transportation, and admission fees are included in tuition, except for the senior field study.

Dayspring students travel to the following destinations for overnight field studies:

1. Plymouth, MA (3rd grade History study)
2. The Atlantic Ocean, New Jersey location (5th grade Science study)
3. Gettysburg, PA (5th grade History study)
4. Pittsburgh, PA and Kentucky - Carnegie Museum, Creation Museum, Ark Encounter (7th grade Science study)
5. New Jersey (8th grade STEM study)
6. Boston and Plymouth, MA (9th grade History study)
